

Throughout the book of Luke, Jesus is constantly reaching out to people pushed aside by the society of that time. Women, a thief, gentiles, fishermen, and “sinners” – they’re all here, they’re all seen, they’re all loved. This 12-week reading plan will lead you through the entirety book of Luke. You’ll get to see how Jesus’ movement of love began and how it developed throughout his life and ministry.
