

THE BIBLE DOESN'T SAY THAT

You have heard it said: *God helps those who help themselves*. While that sounds like something straight out of the bible, if you took the time to look for it, you would discover it's nowhere in there!

While three-week worship series is going to take aim at this and other beliefs that have snuck their way into our churches but are nowhere to be found in our scriptures, this reading plan is going focus on some things the bible DOES say. Specifically, it will guide you through what the bible has to say about the love of God!

If you any questions as you read along, don't hesitate to reach out to Rev. Tom at pastor@hillsidemedford.org or Rev. Wendy at wendy@sanctuaryucc.org.
