How to Become a Responsible Adult

Adulthood is the art of growing up, not just growing old. In this worship series, we draw on the pithy wisdom of the Book of Proverbs to discover how we – whether we are 18 or 80 – can grow into the type of people that God wants us to be.

This reading plan will continue this exploration of the Proverbs, taking you through its most widely read verses (according to topverses.com). You'll come out the other side not just a little older, but wiser too!

For a quick introduction to the Book of Proverbs, you can check out a great, 8-minute video on the topic at hside.co/proverbs. If you have any questions as you read, don't hesitate to reach out to Rev. Tom at pastor@hillsidemedford.org or Rev. Wendy at wendy@sanctuaryucc.org.
