

Heaven and Nature Sing

A CHRISTMAS SERIES

The biblical stories around Jesus' birth are filled with songs: Mary's song of praise to God, Zechariah's song of prophesy, and more. You might call these the original Christmas carols.

But these certainly aren't the only songs in the Bible. In fact, if you were to scour its pages, you would find 185 songs in all!

This reading plan will take you on a journey through some of these songs. You'll read songs of victory and songs of lament, songs of battle and songs of thanksgiving. In the end, you'll walk away with a deeper appreciation of the way God's people have used music to mark significant moments in their lives.
