LESSONS FROM THE BOOK OF JUDGES

The Book of Judges is full of strange and surprising stories. It tells what happened after the Israelites settled in the land but before they had a king. The people keep turning away from God, getting into trouble, crying out for help, and being rescued by leaders called judges. These judges aren't courtroom officials. They're more like tribal warriors or deliverers.

Over the next six weeks, you'll meet some of the most colorful characters in scripture. There's a prophet who leads armies, a strongman with a weakness for bad decisions, and a man who makes a vow he comes to regret. These aren't tidy heroes. They're deeply flawed people trying to do what's right in a chaotic world.

If you have any questions along the way, feel free to reach out to Rev. Tom at pastor@hillsidemedford.org.
